25X1

1. On 11 November 1950 a naval unit of about 300 men vacated the former industrial school on Parkstrasse, Rostock (II 55/O 81). Carrying suitcases, the personnel of the unit were seen marching to the railroad station and leaving in a southerly direction aboard a regular train.
2. Since 13 November, the municipal authorities of Rostock had the former industrial school restocked, refraining from any statements regarding its further use. The high board fence around the school was still there. \*

25X1

  Comment. No other information on the evacuation of the former industrial school has been received.
